LOOK invites you to learn how to build wealth through property investment with a minimal out of pocket expense.

LOOK closer.... With conflicting media speculation, expert knowledge and strong fundamentals are more important than ever to continue to build wealth through property.

Find out everything you need to know about investing in property through this complimentary seminar from industry leaders.

Whether you are ready to start your property portfolio or you are a seasoned investor, learn the fundamentals to:

- **Selecting an investment property for sustained capital growth**
- **Optimising rental income**
- **Minimising your tax - maximising your weekly cash flow**
- **Structuring your finance to minimise risks**
- **Building your property portfolio through lending**
- **Using the power of compound growth to accelerate your wealth**
- **Utilising Government grants and stamp duty savings**

About LOOK

LOOK brings over 30 years experience to the Melbourne property market and has built a strong reputation for exceptional premium boutique developments and outstanding customer service.

LOOK Money are experts in the finance market and have over 20 years experience. They provide advice in matching your current financial circumstances with your borrowing requirements - assisting your needs and providing ongoing support for your future goals.

LOOK what's happening....

Melbourne is estimated to grow by another one million new residents by year 2020. With this strong demand for quality, affordable property and limited supply, it is an opportune time to invest.
